he more refined.
In this man's life there is a coustant battle be, ween his two selves the good and the ovil. He is a chameleon-man. When he is with good companions, surrounded by good environmental conditions, he is an inoffensive, weak, good-natured fel-

When he is in the association of Pullman, superintendent of police, the evil and vicious companions his evil.

Pullman, superintendent of police, the impectors, precinct captains, lieutenants and many policemen, the functions other self crops out, and he is bad, and he is bad, and he is bad, and it is bad. The broad angles of the jaw and chin indicate development, while they show the brutal savage development show the brutal savage develo

Note the difference in the two three are eyes. One is the eye of a cave man, a brute, shallow, glassy.

The other is the droopy, weak eye of the mentally defective.

The brow is rather well developed, and is worthy of better company than Newman apparently kept.

This brow indicates that at times and Frank B. and Thomas A. Helan. nephews. Interment was in Mount Olivet Cemetery.

The largest detail of policemen that that ever attended the funeral of any member of the polic department is said to have paid tribute today to the slain policeman. Newman under proper environment would have flashes of the higher mentality, but he would, under a ra-versal of conditions, immediately lapse back into the lower mentality

Neck in Refined.

The per copits weekly consumption of petateen in Germany is 16 again, while in the United States it is only 22 quarts. The neck, not well shown in the chart, is refined, in keeping with the forchead. But the face in the ensemble shows lack of continuity of surpose. It shows a man who is the plaything of his two selves, torn constantly between the impulses of his good and his evil natures. Now take an envelope. Hisect the

Hyde" in Newman. It is the evit Newman who, chameleonlike, takes on the savagery of his companions. This half of the face would shed a fellow-man's blood, would do a brutal the right half of the face and reveal the other man in Newman.

Note the contour of the forehead.

This half of the face and reveal the other man in Newman.

Note the contour of the forehead.

This dan's danced and sang calculated and sang and told stories, finishing up by doing and told stories, finishing up by doing for American avin are, spending the night at Toul with her mother. Miss all give similar performances to discharge a lugge chew of tobacco "Phat's one thing I must draw the line at." she exclaimed.

One of Miss Janis stories was interrupted by fire from antiaircraft guns against a Bocke airplane somewhere in the vicinity.
